

**NOBLES POWER EAGLE® 716**

The Power Eagle 716 is packed with power and versatility, plus it's easy to operate and transport from job to job. The 7 gallon tanks, 16" cleaning path and lightweight design make it perfect for any size facility. This reliable extractor injects cleaning solution into the carpet with its 100 psi pump, while the 1,200 rpm brush loosens soil from the fibers. A powerful 3-stage vacuum with 106" of waterlift quickly removes the soil and solution to leave carpet looking like new. Years of experience in the field have proven that this self-contained extractor is ready to tackle any carpet cleaning job with superior results. Convenient attachments for cleaning upholstery, stairs and hard to reach places are also available below.

Stock No.: 608543 • Comp No.: CS030.....\$2,744.00 /ea.

**NOBLES POWER EAGLE® 1016**

Perfect for any size facility, the Power Eagle 1016 features a wide 16" cleaning path and a patented 10 gallon expansion cavity to keep solution centrally balanced and the machine compact in design. Like all Nobles extractors, the Power Eagle 1016 is very easy to operate and maintain. Fingertip spray control permits proper use of solution and vacuum. An automatic float shut-off prevents the operator from overfilling the unit and a top access quick-connect provides fast, convenient hookup of accessories. Quick-disconnect spray jets make maintenance easy and a hinged chassis provides convenient access to all internal components. The Power Eagle 1016 provides a 100 psi pump, 200 rpm brush and a powerful 3-stage vacuum with 137" of waterlift leave the carpet clean and virtually dry. Convenient attachments for cleaning upholstery, stairs and hard to reach places are also available below.

Stock No.: 1002564 • Comp No.: CS035.....\$3,195.00 /ea.

**NOBLES POWER EAGLE® 1020**

The Nobles Power Eagle 1020 is an economical workhorse, ready to remove deep down, embedded soil from medium to large carpeted areas. A 100 psi pump, 1,200 rpm brush and a powerful 3-stage vacuum with 137" of waterlift leave the carpet clean and virtually dry. A wide 20" cleaning path and a patented 10 gallon expansion cavity increase running time to enhance productivity and save you labor dollars. The Power Eagle 1020 is easy to operate safely. Simply fill it up and flip a switch. Cleaning solution is kept centrally balanced in the machine and large 10" wheels provide great maneuverability for the operator. Convenient attachments for cleaning upholstery, stairs and hard to reach places are also available below.

Stock No.: 1002556 • Comp No.: CS040.....\$3,460.50 /ea.

**NOBLES FALCON™ 2800 PLUS**

The Falcon 2800 cord-electric automatic features a pivoting brush base and vacuum shoe which follows the machine around turns for greater productivity and maximum cleaning. This is the latest and greatest in self-propelled carpet extraction. Large area carpet cleaning is fast and easy with its 28 gallon solution capacity, wide 22" path and innovative features. A built-in spray wand allows the operator to pre-spray traffic lanes before or during extraction. An adjustable-height console enables all operators to run the machine at a comfortable position. A front pivot wheel provides outstanding maneuverability and a variable speed control allows the operator to speed up for surface cleaning or slow down for deep, restorative maintenance. The Falcon 2800's hinged body provides access to all internal components and its quick-disconnect spray bar and spray jets make servicing easy. Convenient attachments for cleaning upholstery, stairs and hard to reach places are also available below.

Stock No.: 608352.....\$7197.00 /ea.

**NOBLES ANSER™ EXTRACTOR**

Spot removal is easy and complete with the Nobles Anser™ Extractor. Standard attachments include a 4" clear hand tool and 8' solution and vacuum hose for effective soil removal. The Anser™ was developed in response to the number one carpet and upholstery maintenance problem: spot removal. This 2 gallon capacity, briefcase-style hot water extractor is perfect for quick, thorough spot removal and upholstery cleaning. It features a lift-off recovery tank, a comfortable carrying handle, a built-in cord wrap and easy operation. Housekeepers are impressed with the Anser's 30 psi of cleaning power and 80 cfm of air movement, 71" waterlift along with its convenience.

**DRI-WAY JR. QUICK INTERIM CARPET CLEANING**

The ideal way to maintain carpet appearance between regular cleanings. Special Dri-Way Jr. counter-rotating dual brush machine works Dri-Way compound into carpet to dislodge and absorb soil which is then easily vacuumed away. The adapter has the availability to link two Dri-Way Jrs. together for double the coverage agitation. No drying time is required. Dry-Way cleaning products available on page 46.

Comp No.: NI999.....\$574.00 /ea.

**NOBLES CYCLONE® 2 SPEED CARPET DRYER MD1000**

Powerful and tough, the Nobles Cyclone® 2 speed dryer will cut the drying time of wet carpet and upholstery in half. The unit moves 2,000 cubic feet of air per minute forcefully but quietly. In addition to quick, efficient carpet and upholstery drying, the Cyclone® will also dry hard floors, fresh paint and concrete sealer. It's perfect for flood restoration of carpet and the dryer works great for ventilating hot, closed areas. Adjustable legs can be positioned upward or downward depending on the need. And the 30 pound stackable unit is light enough to transport from room to room. The Cyclone® also carries a full 5 year warranty on materials and workmanship. UL listed.

Stock No.: 608258 • Comp No.: CS100.....\$349.68 /ea.

**HOST FREESTYLE® DRY EXTRACTION VACUUM**

The Freestyle from HOST with removable vacuum pod and detachable base unit is ideal for cleaning carpeted stairs, under desks, tables, work stations and detailed cleaning. It features superior dry soil removal than conventional vacuums and is specifically designed for the efficient removal of damp HOST Dry Carpet Cleaner. Counter-rotating brushes lift pile to revive matted traffic lanes and dislodge soil from carpet fibers for deep cleaning. A detachable base unit is ideal for cleaning carpeted stairs. Host cleaning products available on page 46.

**NOBLES SPEED SCRUB™ 2401 24" AUTOMATIC SCRUBBER**

The Speed Scrub 2401 is a perfect fit in a top-performing line of automatic scrubbers. This dynamic machine features a 10 gallon solution tank and a 12 gallon recovery tank and offers a two-speed forward drive. A hinged recovery tank allows the operator easy access to the battery compartment and charging. Additional features: 65 pounds of floating pad pressure, center pivoting forward/reverse pickup squeegee, adjustable steering column and flashing red safety lights. This battery operated scrubber utilizes dual, 300 rpm, counter-rotating brushes for a 24" cleaning path. This complete package contains pad drivers, batteries and charger.

Stock No.: 612216.....\$7,747.00 /ea.

**NOBLES SPEED SCRUB™ 32" AUTOMATIC SCRUBBER**

Designed for simplicity and ease of operation, the battery-powered Speed Scrub 3301 features a compact design with 22.5 gallon solution and 27 gallon recovery tanks. A hinged recovery tank allows the operator easy access to the battery compartment and charging plug. The brush motors deliver up to 120 lbs. of brush/pad down pressure. A fully variable speed drive system propels the machine in both forward and reverse while allowing for incredible maneuverability. The center pivoting forward and reverse pickup squeegee cleans right up to the wall and tracks perfectly around corners. More features: lower noise level and quick no tool brush and squeegee replacement. Package includes pad drivers, batteries and on-board charger.

Stock No.: 608276.....\$9,897.00 /ea.

**CERTIFIED® CHEMICAL FREE "DRY EXTRACTION" PILE BRUSH CARPET CLEANING SYSTEM**

Certified® pioneered and has further enhanced the concept of a chemical free (dry extraction) pile brush cleaning system concept longer than any other machine manufacturer. The Certified Model S Pile Brush Machine removes deeply embedded dry particulate matter from carpet while opening and grooming the nap. No cleaning job is complete or professionally done unless prepared by pile brushing. Skillfully engineered and ruggedly built, only the Certified® Pile Brush offers you these exclusive features: portable, self-leveling, variable depth of brush, positive brush drive transmission, continuous brush action, protected motor, sand trap to prevent jams, long wearing solid spiral brush...and the list goes on.

A pile brush machine should be used weekly on traffic lanes, monthly on all of the carpeted areas, and always just before any cleaning process. The pile brush vacuum is a dual-purpose machine because it is used both to maintain commercial carpet and to clean. It eliminates traffic patterns and will prolong the life of your carpet or rugs, when used on a regular basis. Approved by The Carpet & Rug Institute (CRI). Available with gentle grooming vegetable fiber or more aggressive tufted nylon brush included (please specify preference).

**Certified® Model S Pile Brush (vegetable fiber included)**

**NOBLE SPEEDSHINE™ 17" HEAVY DUTY 175 RPM FLOOR MACHINE**

Scrub, strip or bonnet clean... the Speedshine Standard Floor Machine does it all. Featuring the revolutionary ROTEK rotationally-molded polyethylene handle and base, the Speedshine Standard is nonconductive, noncorrosive and unaffected by cleaning chemicals (including floor strippers). The adjustable handle can be raised and lowered to seven different locking positions. Also available in 20" size. Includes a 50' heavy duty power cord.

Stock No.: 9001766  
Comp No.: CS105.....\$1235.00 /ea.

**NOBLES 17" HEAVY DUTY PAD DRIVER**

Plastic block with clutch plate. For speed shine machine above.

Stock No.: 605124  
Comp No.: CS110.....\$124.40 /ea.

**NOBLES ULTRASHINE 20" HIGH SPEED 2000 RPM BURNISHER**

Improve indoor air quality with the Nobles Ultrashine 2000 Dust Control Burnisher. This machine provides the outstanding performance of a high speed burnisher with the extra benefit of dust filtration which is over 98% at 0.1 micron when operating the machine. The handle and base are made of rotationally-molded polyethylene. A caster at the front of the base allows the operator to adjust pad pressure, while a lever on the back of the handle allows for height adjustment to provide optimal comfort for the operator. A flexible pad driver, cloth filter bag and 75' heavy duty power cord are standard.

Stock No.: 1000150.....\$2,147.00 /ea.

**ALL AMERICAN PRESSURE WASHER 1200 PSI, 2.1 GPM – Electric Model**

Features include:

- An infinitely variable detergent metering system and trigger pressure wand provides the operator flexibility in power control. The triplex plunger pump with ceramic plungers is included in the design for increased efficiency and service life.
- The unit operates off standard 15 amp service and features a 25' high pressure hose, trigger gun, 24" spray wand and a low pressure metered chemical detergent injector.

Stock No.: CC2010EDXDH / 21040.....\$1349.95 /ea.

**ALL AMERICAN PRESSURE WASHER 2500 PSI, 2.5 GPM – Gas Powered Model**

The Signature Series provides the high-performance cleaning power needed to get the job done right the first time. Standard features include: powder-coated finish, pneumatic wheels, down-stream detergent injector, shut-off gun, 36" wand, 25' high pressure hose, three high pressure spray nozzles - 0, 15, and 40 degree, one detergent nozzle, comet pump, and 5 HP Honda gasoline engine at 2.5 GPM.

Stock No.: SSC2525HDXXC.....\$783.95 /ea.

**POWER FORCE XTREAM SERIES – Gasoline Direct Drive**

The Power Force Series combines portability, durability and ample power to handle the most demanding jobs. Standard features include powder-coated finish, pneumatic wheels, down-stream detergent injector, shut-off gun, 36" wand, and 50' high pressure hose. Also included, are three high pressure spray nozzles - 0°, 15° and 25° plus one detergent nozzle, and Honda gasoline engine.

**PANASONIC® ULTRA MC-V5504 COMMERCIAL 12" WIDE VACUUM CLEANER**

The new Panasonic® commercial vacuum cleaner is simply the most

powerful and durable commercial vacuum offered. Unlike other vacuums that have the dirty air flow through a fan, Panasonic® designed a clean air system which has the dirty air flow into the vacuum bag first. This design saves you the constant problem of having to replace fans that frequently break. The brush belt is in its own enclosed housing which greatly reduces the frequency of belt changes. This ultra-lightweight 12" vacuum offers many key features which includes a commercial heavy duty 9.0 amp motor, 73 decibel, quiet operation, a rugged double brush agitator to ensure thorough cleaning on any surface, automatic height adjustment, a bypass valve to extend motor life when vacuum bags are full, a 35 foot power cord 99.5% 5 microns, paper bag filtration and a 1 year warranty. Commercial UL-listed. Only weighs 11.7 lbs. without cord.

Stock No.: MC-V5504 • Comp No.: PN100.....\$258.55 /ea.

**PANASONIC® MC-V225 COMMERCIAL 14" WIDE HEPA CLEANER**

The Panasonic® commercial vacuum cleaner

is simply the most powerful and durable dual motor commercial vacuum with on board tools offered. Tools include 5:1 stretch hose, telescopic wand with suction control, crevice tool and dusting brush. Panasonic® designed a clean air system which has the dirty air flow into the vacuum bag first. This design saves you the constant problem of having to replace fans that are frequently breaking and greatly reduces the frequency of belt changes. This lightweight 14" vacuum includes a commercial heavy duty 10.0 amp motor, 74 decibel, quiet operation, a rugged double brush agitator, 4 position carpet height adjustment, a bypass valve to extend motor life when vacuum bags are full, a 50 foot power cord, 99.5% 5 microns paper bag filtration HEPA filter and a 1 year warranty. **ORECK VACUUMS**

The Oreck XL2000RH is the commercial version of what is often advertised on the media for over \$300. It is a lightweight top-fill upright vacuum cleaner that takes the effort out of cleaning. The 2 1/2 inch low profile head finds dirt under the lowest surfaces. The double helical brushes have 100% more bristles than many other vacuums, and the brush speed changes automatically depending on the surface. The top-fill filter bag is sealed and holds 736 cubic inches of dirt.

## PROTEAM PORTABLE VACUUMS

Healthy cleaning requires a combination of the proper chemicals, equipment and machines. Of primary importance is the vacuum system utilized within the cleaning operation. The system, or process, must assure that the facility is properly cleaned on a scheduled basis and it must assure that cleaning, rather than polluting, is the result of the cleaning worker's activities in the facility.

ProTeam vacuums are dedicated to cleaning without polluting. They capture soil and safely contain harmful particles to prevent them from being reintroduced into the environment. Greatly improved air quality is the result of ProTeam vacuums' unique Four-Level Filtration system. This system captures tiny dust mites, bacteria, and other particles – which can cause unhealthy air. ProTeam's unique method cleans carpets, hard floors and other surfaces without stirring dust to help keep air cleaner, yielding air and furniture with less dust so employees, visitors and guests breathe healthier air.

## NACECARE CANISTER DRY VACUUM

They feature powerful motors, super-efficient filtration and quiet operations. Their one-piece polypropylene and structofoam tanks are long-wearing, dent and corrosion proof and light in weight. All of these vacuums are designed with wide bases to prevent tipping. Their friendly smiles are standard equipment.

Features:

- Powerful 1100 watt, 1.5 Hp 1 stage vacuum motor with a full 3 year warranty on motor and electrical parts. Ten years on the body for excellent soil recovery and longer carpet life.
- Motor provides 106" waterlift and 114 CFM of airflow.
- Excellent 0.5 micron filtration at 99.55% efficiency for improved indoor air quality with or without bags.
- Optional 0.3 Micron Microtex filtration available.
- Manual crank rewind for powerful cord storage and protection (on MVR 200).
- Polypropylene tanks for maximum durability and mobility.
- Thermal Overload for long term motor protection.
- Stainless steel wand and multiple tools available.

### AA300T Air Turbo Kit Includes:

- 6' x 1 1/4" hose complete
- Ultra-lite 3 piece aluminum wand
- NVA 300T air powered turbo brush
- NVA 41B: 1 1/4" to 1 1/4" tapered adapter
- NVA 42B: 9 1/2" long crevice tool
- NVA 44B 2 1/2" round dusting brush
- NVA 45B: 6" wide upholstery tool
- NVA 46B: 6" slide-on brush for NVA 45B

**RUBBERMAID® FLOOR AND CARPET SWEEPER**

Adjusts automatically to clean any floor surface. It has two dustpans for pickup on forward and backward strokes, plus brushes for both fine and loose dirt. The sweeper has wheels and four corner brushes, plus front and back furniture guards. It weighs just four pounds and the sweeper head is 2.75" high for easy maneuverability. Perfect for use in lobbies, hallways and guest rooms where the use of a noisy vacuum cleaner is not always appropriate.

**Size:** 10½" x 9½" with 7½" sweeping path

**Stock No.:** 4213 • **Comp No.:** RM100.....\$87.50 /ea.

**Smaller version for tight spaces:** one brush, one debris canister

**Size:** 9½" x 8" with 6½" sweeping path

**Stock No.:** 4212 • **Comp No.:** RM4212.....\$59.00 /ea.

**TORNADO SWEEPER**

The EB 30 is battery operated, motorized mini-sweeper loaded with features that make it extremely effective, durable, and operator friendly. At 56 dBA (lower than the volume level of normal conversation), it is not intrusive when people are present. The powerful brush head sweeps debris into an easily removable 1-liter bin. At 12" wide, it has a nicely sized cleaning path while remaining maneuverable. The unit comes with a removable 7.2 volt rechargeable Ni-Mh battery. Also included is a single battery charge that provides a full charge in about 12 hours.

**Tornado Mini-Sweeper #EB30 (12" wide)**

**Weight (in use):** 4.4 lbs. • **Comp No.:** E.6155.....\$179.95 /ea.

**DELUXE PLUS HOUSEKEEPING CART**

The Deluxe Plus Housekeeping Cart features big shelf compartments, revolving rubber bumpers at each corner and heavy duty 8" ball bearing wheels. The cart comes in Sierra Brown, Dark Walnut, Beige or Painted Silver.
