

BLUE RIBBON WASH™ – Concentrated Powdered Laundry Detergent

Blue Ribbon Wash Detergent is a very highly concentrated, low suds laundry compound. It is a nonpolluting, balanced blend of biodegradable brighteners, water softeners and soil suspending agents that remove dirt quickly and gently. Wash is our largest-selling detergent. Due to its highly concentrated formula only use 1/8 - 1/4 cup per 35 lb. washload.

Size: 25 lbs. • **Washload:** 200-400 wash loads*
Comp No.: BC060.....\$21.50 /ea.

Size: 100 lbs • **Washload:** 800-1600 washloads*
Comp No.: BC070.....\$67.95 /ea.

(*Assuming a washload of approximately 35 lbs.)

BLUE RIBBON BRITE™ – Powdered Chlorine Bleach

Blue Ribbon Brite is the perfect chlorine bleach for your white towels, linens and garments. It produces excellent whiteness retention without loss of fabric tensile strength. Unlike many common chlorine bleaches, Blue Ribbon Brite also contains special stain removing ingredients. Use only 1/4 to 1/2 cup per 35 pound washload. If you want a clean, bright, white wash, your best choice is Blue Ribbon Brite!

Size: 50 lbs • **Chlorine:** 4.5% • **Washload:** 200-400 washloads*
Comp No.: BR010.....\$55.60 /ea.

Size: 50 lbs • **Chlorine:** 16% • **Washload:** 800-1600 washloads*

(*Assuming a washload of approximately 35 lbs.)

DAISY™ – Concentrated Powdered All-Fabric Brightener

Concentrated Daisy is an all-fabric laundry brightener that easily removes tough stains and brightens your entire wash. Daisy replaces chlorine bleach. The active ingredient, oxygen, is perfectly safe on colors as well as white clothing and linen. It is so concentrated that you only need to use 1/8 to 1/4 cup per 35 pound washload. Daisy will freshen, brighten and prolong the life of your entire wash.

Size: 50 lbs • **Washload:** 400-800 washloads*
Comp No.: BR250.....\$58.34 /ea.

(*Assuming a washload of approximately 35 lbs.)

TIDE HE – 2X Concentrated Liquid Detergent

The outstanding clean of Tide for your front-loading High Efficiency(HE) washer.

Unlike traditional agitator washers, most front-loading HE washers use a “tumbler” system with no agitation. The new systems are so efficient, that HE washers can use low-water wash and rinse cycles. Because of this, HE detergents like Tide HE have to work differently from traditional laundry detergents in order to be effective. HE detergents are formulated to be low-sudsing and quick-dispersing to get the best cleaning performance from HE washers.

Packed: 4/100 oz. • **Stock No.:** 08886

Comp No.: PG537 1-9 case.....\$79.50 /cs.

FLUFF & FOLD PACKAGING SYSTEM

Lodging properties and laundry store owners offering washing services to customers often wonder how to best package clothing after cleaning. Our Fluff & Fold system answers these concerns. Use of the Fluff & Fold plastic packaging system gives your finished bundle a truly "professional look." Fluff & Fold bags are packed, perforated on a roll, in a handy dispenser box that fits on a shelf or under your counter. A plastic tie is furnished with each bag for securing the bundle. Each bag is attractively printed with a cheerful message, "Thanks for your Patronage". If you don't currently offer a "Drop-Off" service, invest in our Fluff & Fold Starter Kit. It comes with everything needed to start a Fluff & Fold Service.

Our Fluff & Fold Starter Kit includes: an instruction sheet – with ideas on how to operate a drop-off service, two signs – one for the window and one framed for inside your store, 250 handouts and 2 bumper stickers – to advertise your service, 250 three-part customer receipt forms, 5 control sheets – for attendant cash control, 500 medium size Fluff & Fold bags with ties, 500 large size Fluff & Fold bags with ties, a sign to show the hours that drop-off service is available, and color-coded magnets – to help track multiple washer and dryer loads, and, finally a 2 pocket attendant apron that has the red clock logo and a slogan to promote the service.
